Numbers permitting – at junction of paths just over the first footbridge at **Photo 8** (1), at Junction of paths on the golf course side of the main footbridge over the Barwon River (1) at **Photo 9**, at entry to Buckley Falls Lookout Car Park (**Photo 32**)

RACE BRIEF

- Start/Finish – point out the directions
- General – public with dogs on leashes, bicycles, wash-outs, tree roots, overhanging branches, stones, a rocky section on the hill up to the Buckley Falls Lookout
- When on gravel paths, stay on the main path at all times
- Please keep to the left
- Watch for returning runners at the end of the southern loop at various corners, **please keep to the left!**
- **Must keep on the grass verge of Buckley Falls Road**, do not run on the road itself = DQ!

START/FINISH

- Start on the asphalt path between the cones in line with the finish line, positioned 9m south of the centre of the rotunda– see **Photo 1**
- Finish is at the same place but on the grass beside the asphalt path

THE COURSE

- Runners proceed from the start and veer right off the asphalt path and pass outside of the gravel car park, through the trees and across the grass (there is a defined path here) to the seat on the asphalt path. Then follow the asphalt path up the hill past the toilet block and shelter and then run along the edge of the gravel road on the outside of the temp fencing on the grass then swing right down the gravel road to the car park, see **Photos 2, 3, 4 & 5**

Photo 2 – Veer off the asphalt path near the sign post on the left

Photo 3 – follow the grass path back to the asphalt path at the seat

Photo 4 – follow worn grass path along the edge of the temp fencing

Photo 8

- Runners continue along the asphalt path to the main footbridge over the Barwon River (at the golf course) and turn right heading towards Buckley Falls, see **Photo 9**

Photo 9 (looking from the golf course side towards oncoming runners)

- Runners continue along the asphalt path towards the lower Buckley Falls car park, and veer right, see **Photo 10**. Marshal is required here as runners also come back on the left-hand branch shown in the photo

Photo 10 (Marshal point)

- Runners head up the path towards the Buckley Falls Lookout, staying on the main path, see **Photos 11, 12, 13, 14 & 15**. Beware of around a 20m length of large flat rocks to run over.

Photo 29

- Runners continue up the hill on the gravel path (**Photo 29**) and re-unite with the path they came along earlier. A marshal will ensure that runners are separated at this point, as back markers will most likely be coming towards the front markers, **keep left**, see **Photo 25**
- When the runners arrive back near the junction of the asphalt paths on top of the hill (at **Photo 23**), a marshal will guide runners straight ahead down the asphalt path, continuing until the path curves left at which point runners continue down the grassed nature strip, see **Photos 30 & 31**
- It is essential at this point onwards, that runners **keep to the grassed nature strip**. **At no stage are runners permitted to run on the asphalt road surface – too dangerous!!**

Photo 30

Photo 31

- Runners continue along the grassed nature strip (beware of entry to Buckley Falls Lookout Car Park entry (**see Photo 32**), veering left onto the verge of the gravel road that accesses the Lower Buckley Falls Car Park. Where the grass verge finishes, runners are permitted to proceed down the left hand edge of the gravel road. See **Photos 33, 34, 35, 36 & 37**
